

Hong Kong Mahjong Scoring Cheat Sheet (Basic Guide)

Hong Kong Mahjong uses a fan-based scoring system. Players usually need a minimum of 1 fan to declare a winning hand (house rules may vary). This cheat sheet covers the most common beginner-friendly scoring patterns.

Winning Pattern / Condition	Fan (■)
Basic Winning Hand	0
Self-Draw Win	1
All Pungs (All Triplets)	3
Pure Suit (Clean Hand)	7
Half Flush (One Suit + Honors)	3
Dragon Pung (Each)	1
Seat Wind Pung	1
Round Wind Pung	1
Concealed Hand	1
Winning on Last Tile	1

Important Notes:

- Most tables require at least 1 fan to win.
- Fan values can stack together.
- Exact scoring rules may vary between regions and play groups.
- This guide is intended as a quick reference for beginners.
